Spirits lifted and cars selling

THE OLYMPICS have lifted spirits— 5 Gold-Yay!

We have a selection of MG's for sale, including the lovely BGT below.

Also in stock a couple of MGF's including one VVC model.

1971 MGBGT in trendy '70's colour: \$12,500

Remember the trendy '70's interiors?

We have a white roadster with this interior. Come see.

We have a range of unusual and interesting cars for sale at the moment. From popular MG's and Jaguars, to the column on the right—the 'different but still classic' column. There's the beautiful Benz cruiser, the amazing VX220 sports car, and the delightful old Morrie 8.

Below is a real modern collectors car that will surely become more valuable in 20 years time, when the "currently young fella's" look back, like I do at the Capri's and the MG's of the '70's.

2001 Subaru Impreza WRX—only 86,000kms.
